

THE INTERNATIONAL
BNA2027
FESTIVAL OF NEUROSCIENCE

25 - 28 April 2027 | Belfast, UK

PARTNER INSTITUTION INVITATION

BNA
2027

WELCOME

Join the BNA2027 Programme Organising Committee and the British Neuroscience Association (BNA) for the 8th International Festival of Neuroscience, 25th -28th April 2027, Belfast

BNA2027 will be the largest neuroscience event of its kind in Europe in 2027, bringing together over 1,000 researchers, clinicians, industry leaders, and patient representatives in a unique multi-organisation forum. We hope you can join us for a diverse, world-class scientific programme spanning fundamental research, clinical practice, and commercial innovation.

ICC Belfast's accessible, state of the art convention centre and Belfast's vibrant culture provide the ideal setting for delegates and partners to connect, inform and influence the future of neuroscience. We look forward to welcoming you there.

Dr Laura Ajram
CEO
British Neuroscience Association

Professor Narender Ramnani
President
British Neuroscience Association

Dr Dayne Beccano-Kelly
Meetings Trustee
British Neuroscience Association

Dr Dorothy Tse
Co-Chair BNA2027 Programme
Organising Committee

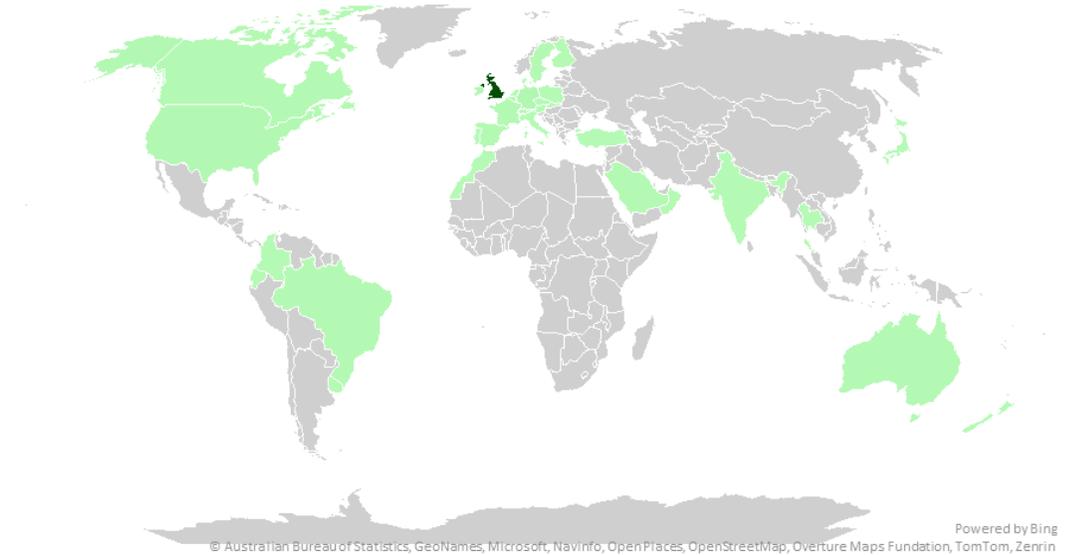

Dr Elaine Murray
Co-Chair BNA2027 Programme
Organising Committee

AUDIENCE PROFILE

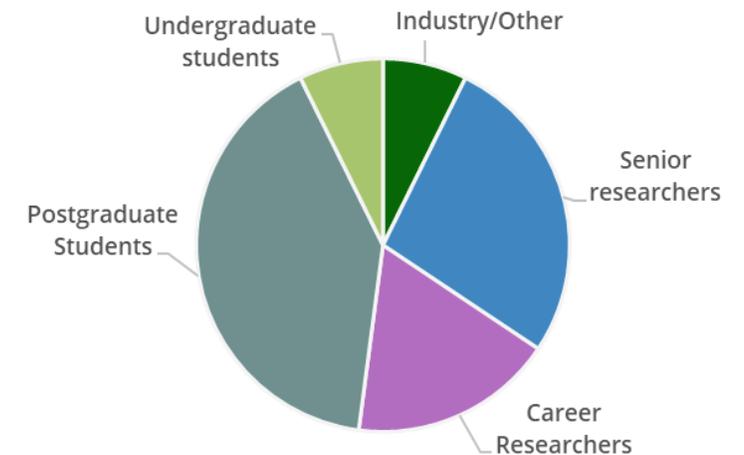

BNA Festivals of Neuroscience represent the diverse global neuroscience community, from basic neuroscience to translational research and clinical application.

Interests range from neuronal signalling to behavioural neuroscience, psychology and psychiatry, and from neurodevelopment to neurodegeneration.

BNA2025 in numbers

- ✓ 1,000+ attendees
- ✓ 164 speakers
- ✓ 20 programme partners
- ✓ 50 exhibitors
- ✓ 350 poster presenters
- ✓ 35 countries represented

Programme overview

BNA2027 scientific programme will run across 3 days and will include keynote presentations, 5 parallel symposium tracks, interactive workshops, networking sessions, flash presentations and posters, selected by our Programme Organising Committee for their scientific excellence.

Daily satellite sessions will run in parallel to the main conference. Festival programmes are designed with our Partners in mind, offering interaction with delegates throughout. As a Partner Institution, you will contribute significantly to our scientific programme as well as having a presence in the busy Exhibition Hall.

Partner Institution Package

- Convene one symposium or workshop to feature in the main scientific programme*
- Membership of BNA2027 Programme Organising Committee (POC)
- Reduced registration fees for your members and associates
- New for 2027 – presence in the main Exhibition hall

£3,000 plus VAT
