# Create your BNA public profile
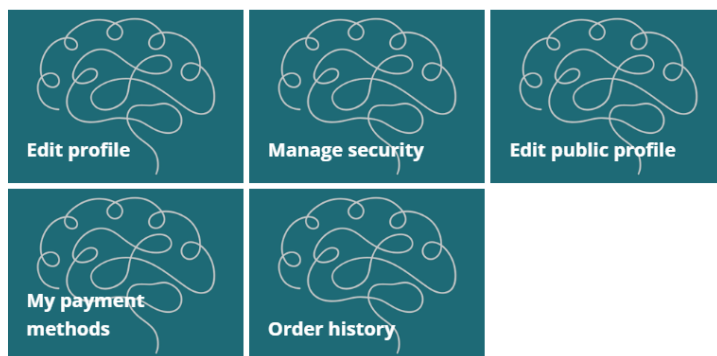

1) Log into the BNA website [www.bna.org.uk](www.bna.org.uk) and go to 'My BNA' on the top left.

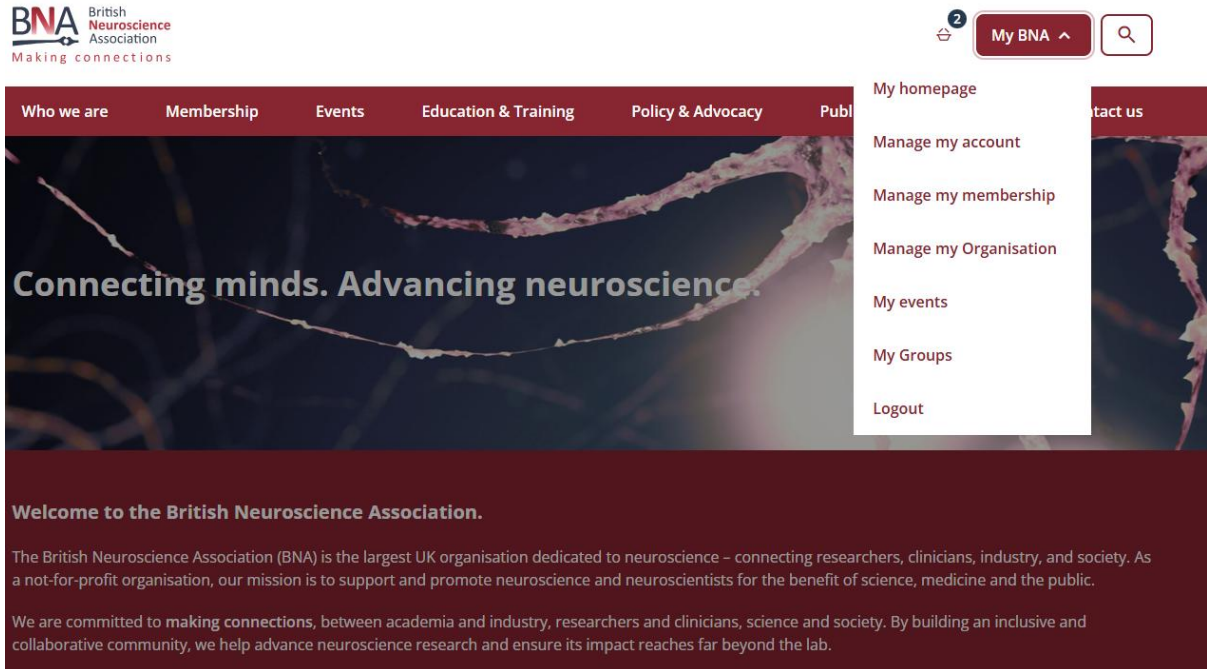

2) Select 'Manage my account'
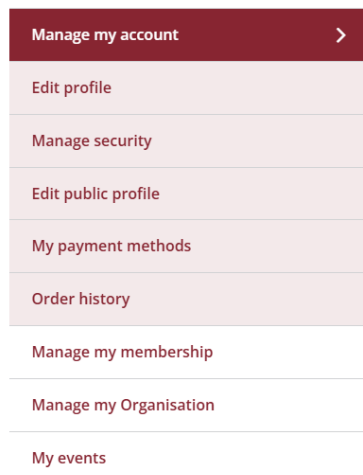

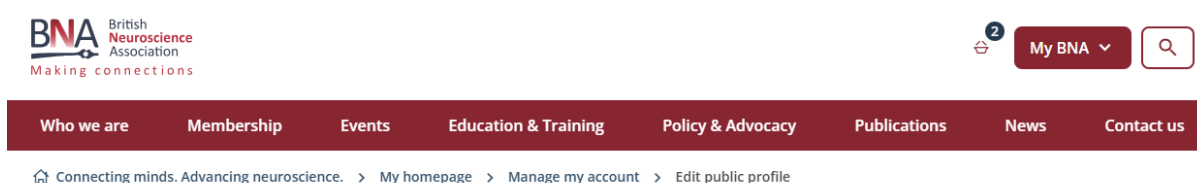

3) Select 'Edit public profile'

4) Add a profile picture and personal details you'd like to share, as well as up to 400 word biography to describe your work.

5) Select any research areas that are relevant to you and add any social media profiles that you'd like other member to see and/or connect with. Apologies, Bluesky is not available at this time.
