- Trusted career advice
- Extensive educational resources
- Access to funding and more!

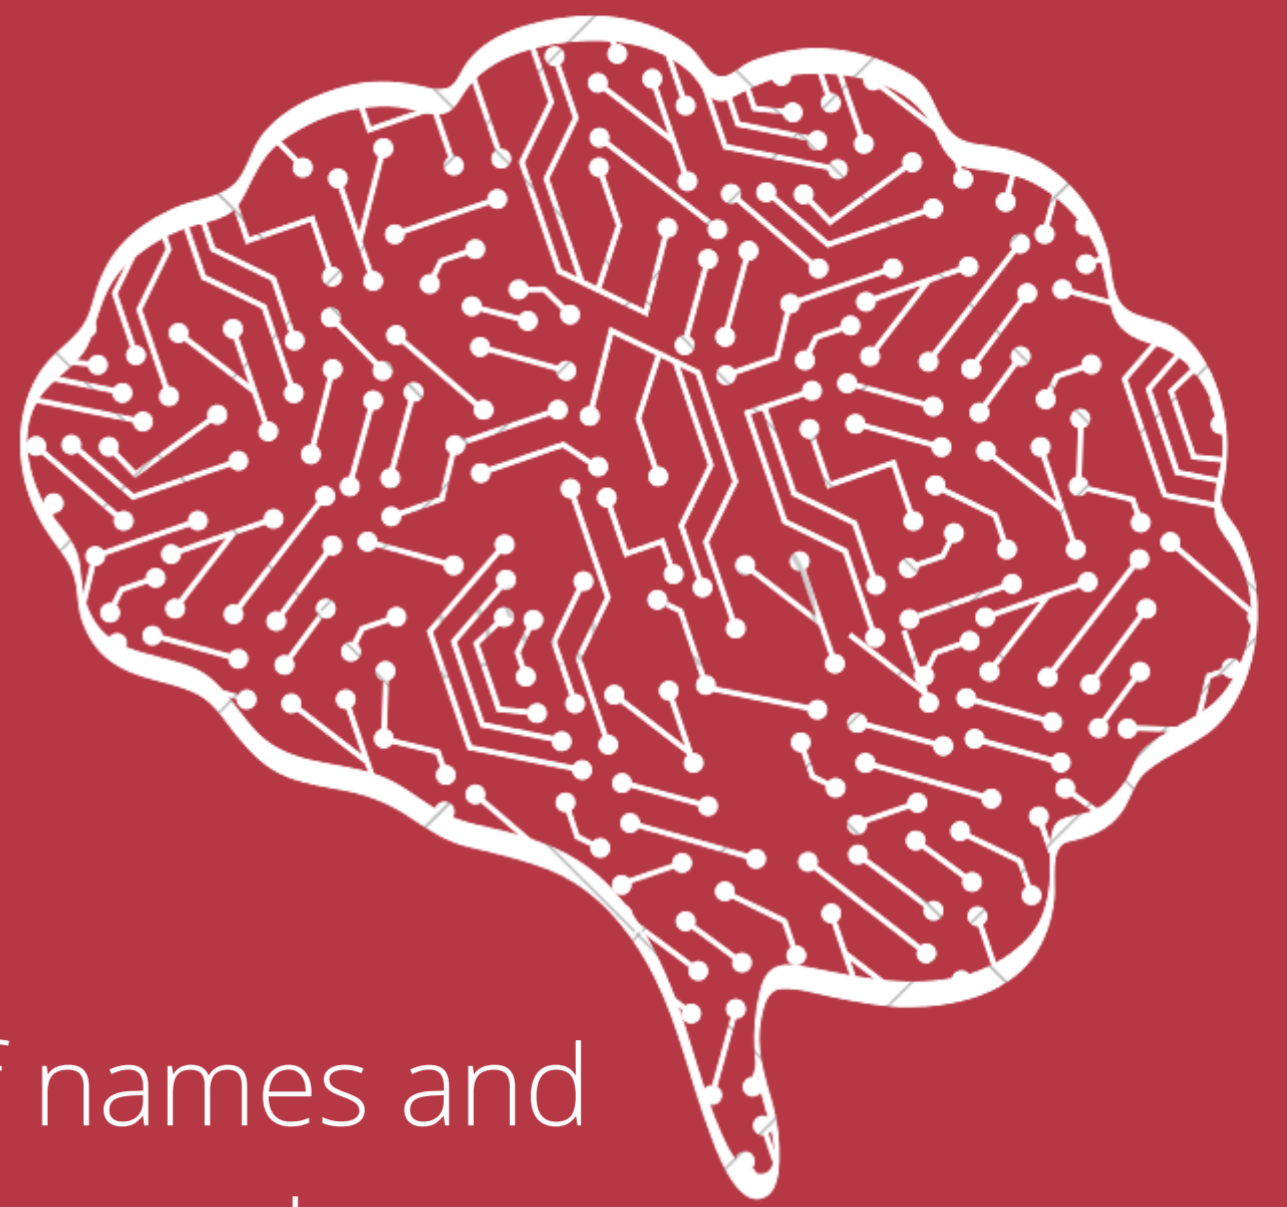

Email: office@bna.org.uk
Website: www.bna.org.uk

**British
Neuroscience
Association**

How does it work?

Simply email the BNA office (office@bna.org.uk) with a list of names and email addresses of the perspective members.

The BNA will do the rest!

We will register and contact our new members with their account details and information on how they can enjoy their membership benefits!

After enquiry an invoice will be sent to you directly with the 10% discount deducted. Full information about membership can be found at:

www.bna.org.uk/about/membership

Please forward this information to any decision-makers within your institution or forward their details to:
