

Sunday 27th April

THE INTERNATIONAL
BNA2025
FESTIVAL OF NEUROSCIENCE

18.00 - 19.45 WELCOME RECEPTION FOR ALL DELEGATES, HALL 2

Join us to kick-off the Festival in style, with a very special performance from the Halcyon Syncopators – group of like-minded south Liverpool musicians who love playing big band dance music.

Drinks and nibbles will be available as you mingle with our exhibitors and speakers in an informal setting before our scientific programme begins.

Take this opportunity to register ahead of the morning rush and meet the President of the BNA who will officially open the Festival.
